[TN: Side B is the logical start of the tape].

[Side B].

UM: [UI] God's peace, mercy and blessings. This is the sermon of his Eminence Sheikh Abdul Mun'im Abu-Zant dated 16 1st Jamadi, 1415 H, corresponding to October, 21, 1994 A.D.

AMZ: Thanks be to God, Lord of the worlds, and the end is (best) for the righteous, Let there be no hostility except to those who practice oppression, I bear witness that there is no other God but God, I bear witness that our master and our leader Mohamed is His servant and messenger, His sincere friend and beloved, God's prayers and peace be upon you our master, messenger of God and upon your honorable family and disciples, and those who followed them with goodwill till judgement day, "Our Lord!" (they say), "Let not our hearts deviate now after Thou hast guided us, but grant us mercy from Thine own Presence; for Thou art the Grantor of bounties without measure, you who changes hearts, strengthen our hearts in your religion, you who changes hearts, strengthen our hearts in your religion, O God don't leave us to ourselves for a blink of an eye or less than that, O God educate us in religion and teach us to interpret, O Lord condemn us not for what those weak of understanding among us have done and are doing, O Lord condemn us not for what those weak of understanding among us have done and are doing, O Lord condemn us not for what those weak of understanding among us have done and are doing, O Lord the night of the oppressors is longer and the darkness of their night is darker and the tyranny of their oppression is darker, O Lord hasten your relief O God, O God. Our Lord bring failure to the reconciliation plot with the Jews, our Lord bring failure to the reconciliation plot with the Jews, our Lord show us the miracles of your strength in the reconciliation with the Jews, our Lord show us the miracles of your strength in the reconciliation with the Jews, our Lord show us the miracles of your strength in the reconciliation with the Jews, and the marvels of your might, O God, O God, O God, in revenge, in revenge for the point of Night Journey of you beloved Mohamed, God's prayer and peace be upon him and his family, in revenge for the cradle of your word Jesus son of the virgin Mary, peace be upon them, in revenge for the resting place of your friend, Abraham, the father of the prophets and the messengers, God's prayers and peace upon them all, in revenge for your servants male and female and their struggling children in your Holy Land, O God, O God, O God. O Lord show us the miracles of your strength in the reconciliation with the Jews, and the marvels of your might next Wednesday and bring it down a storm over the Jews, especially their leader Clinton, O God, O God, O God, O God, we ask you for the sake of your good names and your greatest descriptions, we ask you for the sake of your one and only name the only absolute, self subsisting over the seven heavens and what it encompasses, the seven worlds and what it encompasses.

My Lord relieve my heart, ease my matters, loosen the knot of my tongue to where they comprehend what I say, our Lord on you we rely and to you we return and to you is the destiny. To proceed:

Before I start on the subject of my sermon I call our brothers and sons, the people, the security forces to remember that they will still be the sons of the people and not the sons of the government, this government was brought in with the strike of a pen and with another strike of a pen they will mummify it, therefore, our brothers, our sons the security forces, fear God in yourselves, in your mothers, in your fathers, in your children and in the people that gave birth to you, fear God. The masks have fallen and everything is naked and what was hidden came out which they strived to achieve for decades, and the Jews didn't dream of it since the desert fig which God punished them with thousands of years ago. The Jews didn't dream of all these generous aspirations to which, by God, Abi-Jahl's forehead will sweat. Abu Jahl kept fighting until the last minute of the battle of Badr until he was killed by two boys of the belief Ibn A'afra', while he was in a pool of blood and with his last breath said: "For such a thing my mother gave birth to me", meaning for the battle fields and the massacres my mother gave birth to me in defense of Al-Lat and, in defense of Hubol, in defense of the statues and in defense of his nationality and country, "For such a thing my mother gave me birth", he gave the last drop of blood, the last breath and the last statement he uttered, until..., until Abu-Jahl died, if he was offered the case of surrender which the area is witnessing, Abu-Jahl would have rejected it. My beloved brothers, my virtuous sisters, in '79 when the dead tyrant, Sadat, signed the crime of Camp David with the dead Begin, all the arab leaders from the ocean to the gulf and the leaders who control the Islamic world, and the Arab Muslim nations in the five continents went out on demonstrations and marches. This doesn't mean that I am leading you to a march, because I know there will be riots in the country, since we ended the war with the Jews but we didn't end the war with Islam, for Islam...er, for war is still concentrated on Islam and Muslims. In '79 the leaders and the people condemned the Sadat's conspiracy and they cursed him, and today the curses of Sadat in the past puts the Arab leaders in the cage of condemnation and not the cage of accusation asking them to restore the dignity and Sadat's seems to say, "In order to restore my dignity and my honor, you have to build a statue for me in every plaza, I am your first pioneer, I am your first leader, I am your first teacher and you are the students who are several years late, 15 years".

In the recent past Jordan condemned the Liberation Organization for signing a unilateral agreement with the Jews, and yesterday Syria condemned Jordan for signing a unilateral agreement with the Jews, and tomorrow Lebanon will condemn Syria with signing a unilateral agreement. Mockeries, a scheme concocted in the White House, may God envelop it with darkness and hatred, say Amen.

AU: Amen.

AMZ But, leaders of my country, but the Day of Judgement when wealth and children don't matter except he who comes to God with a sincere heart, the day the eyes stare, the hearts melt and the feet trip, the day of the greater terror, O leaders of my country, day man will run away from his brother, mother, father, his girlfriend and his children, each one of them, that day, will have enough concerns to make him indifferent to the others. Leaders of my country on the Day of Judgement, where the scales of justice are going to be erected, Palestine will come ahead of the messengers and the prophets, and the scores of martyrs will advance to say, "O Lord, O Lord, I complain to about those who sold me for a border line". Yes, by God, the point of the Night Journey of the beloved Mohamed, God's prayer and peace be upon him, was sold for a border line, the cradle of Jesus son of Mary was sold for a border line, the resting place of God's friend, Abraham for a border line, the scores of martyrs west and east of the river were sold for a border line. Enough arguments for us, enough deception and beating around the bush for us, everything is now clear, what a patrolman understand is more than what a minister, what the shepherd comprehends is more than what the judge can comprehend, because things have become as clear as the sun in the middle of the day. They will complain to God, will...er, she will complain about you to God the vengeful the exalted in might, O leaders of my country, killer of martyrs, the Jordan of mobilization and poise, who sacrificed their blood, who sacrificed their blood for the sake of the point of the Night Journey of the beloved Mohamed and the cradle of his brother Jesus son of Mary, God's prayer and peace upon them. And finally, O rulers of my country, the America of oppression, darkness and tyranny has led you to the house of obedience with the stick of the empty American pressure, it brought to you the scheme from the White House cooked in a pressure cooker, in a pressure cooker. This is not an accusation to you, O government, you said that with your own words to the representatives : "We are being pressured, we are being pressured, we are besieged, we are firmly besieged", you did not take heed even though we reminded you under the dome of the Parliament that this American pressure has been defeated and is dragging behind it the trails of shame and embarrassment in front of our brothers in Somalia when the arrogant America saw eighteen American soldiers in a pool of blood,er, the Senate convened, the American Congress and the National Security Council met in an emergency session to pressure Clinton: "Issue an order to withdraw our forces from Somalia", the last American soldier withdrew on the holy Friday the 25th of last February, when they saw eighteen soldiers in a pool of blood and one of them was being dragged, being dragged like a dog behind the car. This is America that forces you, America couldn't breath in front of the mounted nuclear missiles in North Korea, she couldn't, America was pushed back and ran away like a mouse in front of one single hero who sold himself to God when he drove his booby-trapped vehicle to the heart..., to the heart of the American Marines,

your Marine Forces, O America, after the Jewish invasion of Southern Lebanon in June of '82, after that booby-trapped divine operation from one hero who sold himself to God and was blown up with the car amidst hundreds of your Marines soldiers, they ran away after tens were killed and tens were injured of them. The slave is hit by the stick but a signal is enough for the free, the slaves of America can only be hit with the stick, and we thought better of you, rules of my country, that you are free and understand the signals, so we addressed you with statements after insinuating, we addressed you in public and with honesty, with clear proof and irrefutable evidence, and you didn't respond. God the Greatest speaks the truth when He said: "Do they not then earnestly seek to understand the Quran, or are their hearts locked up by them? It does not blind the sight, it blinds the hearts in the chests".

I remind you, O rulers of my country, with God's, King of Kings, saying, "And he amongst you that turns to them (for friendship) is of them. Verily God guideth not a people unjust". And your feelings proved that you are of them, when the imprisoned Jewish soldier died, tears were shed, condemnation telegrams were sent to Rabin and to the Jews in the so-called the alleged Israel in condemnation, in condemnation against the terrorists and the saboteurs, the Mujahidin for the sake of God are saboteurs, terrorists who shed blood. Brothers, this is a miracle of the Quran, "And he amongst you that turns to them (for friendship) is of them. Verily God guideth not a people unjust". Those in whose hearts is a disease - the disease of hypocrisy, the disease of malice, the disease of ambitions, the disease of big, broad hopes, the disease of the five year plan and the fifty year plan, they hurry to them with planes, submarines and cars, they say, "We are afraid, we are afraid to get caught in a cycle, a cycle of economic recession". Therefore, congratulations to the Jordanian people since they became a herd of slaves being bought and sold, the good news was announced in the media that the first American forgiveness of one hundred million Dollars, Jordan has been forgiven, forgiven the debts, and on the way seven hundred and two millions, seven hundred and two millions, when America and its ally, the alleged Israel are sure of the stability of the surrendering treaty, Jordan will be forgive seven hundred and two million Dollars. A scheme, improving the situation, therefore the ghost car came, like I told some of the representatives in the past, the Mercedes and other than the Mercedes. Yes, brothers, what the hour is witnessing, what the arena is witnessing reminds us that the end times are near, that Judgment Day is near, but "For thy Lord is (as a Guardian) on a watch-tower", And "He amongst you that turns to them (for friendship) is of them. Verily God guideth not a people unjust. Those in whose hearts is a disease - thou seest how eagerly they run about amongst them, saying: We do fear lest a change of fortune bring us disaster." Ah! perhaps God will give (thee) victory, or a decision according to His will. A divine decision that comes suddenly, cyclones, storms and hurricanes invades the Jewish deceit and the result will be, they will regret what they intended within themselves.

And those who believe will say: "Are these the men who swore their strongest oaths by God, that they were with you?". All that they do will be in vain, and they will fall into (nothing but) ruin. Therefore in the process of signing, an urgent bribe was made to the teachers as well as to the members of parliament, the cars are tax exempt, the teachers have been given a raise or will be given a raise, what is the reason? To teach the map of Israel instead of Palestine, to teach the generations that Palestine is Israel and its capital is Jerusalem, and the teacher who is going to say that Palestine is Palestine of the messengers and prophets and its capital is Al-Quds the point of the Night Journey of the beloved Mohamed, prayers and peace be upon him, with the strike of a pen he will be fired from his job, and will be brought to the state security court.

With what you have done, rulers of my country, in what you have done with the holy cause, is like two brothers one of them owns the camel and the other owns the camel's rope, a gang of thieves stole the camel and its rope, the negotiators were sent to the gang of thieves, "Return the camel without a rope. No. Return the rope without the camel. Yes, yes". Jordan's border line with Palestine is not but that rope, and Palestine of the messengers and prophets is not but that camel, when your brother signs for the enemy, for the thieving gang that stole the camel and its rope, signs that he received the rope, signs that he received that rope, and signs his ownership to that camel, he would have given the document of legality and registered the camel in the name of the gang of thieves. We are not accusing people, the drawing of the borders says: East of the river is Jordan, west of the river is Israel, Palestine was sentenced to death and its funeral has already been held according to those people's understanding, its over. You can't sign a map that mentions Palestine, you can't sign a map that mentions the name of a Palestinian city in arabic, only in Hebrew, instead of Khalil it is Hebron, instead of Nablus it is Samaria, instead of Al-Quds it is Jerusalem, instead of Beir Al-Sab' it is Beer Sheba, or one of these corrupted Hebrew, Talmudic hallucinations. You know with certainty, O rulers of my country, and I say that you know with certainty not in acknowledgment of your education, because we experienced it under the dome of the Parliament, and we experienced it in the field, when I say that you know, O rulers of my country, with certainty so there is an irrefutable evidence against you, that you were not ignorant to the fact when you behaved with this kind of surrender, you know with certainty with premeditation, a knowledge where the elements of the greatest penal crime became complete against the point of the Night Journey of the beloved Mohamed, prayer and peace be upon him, the point the Night Journey of his brother, Jesus, and the resting place of God's beloved friend, Abraham, God's prayers and peace upon them all. You know, O rulers of my country with certainty, that this border line in God's scale and his believing servants, that its not worth the threshold of Al-Aqsa mosque the point of the Night Journey of the beloved Mohamed, that border line is not worth the threshold of Christ's Nativity, it is not worth the threshold of the

resting place of God's beloved friend Abraham, God's prayers and peace upon them all, you know, O rulers of my country that this border line is not worth one blood drop of a martyr, a martyr of the Ajluni family or a martyr of the Qreshan family in the south, or a martyr of AL-Awamla in the center or Al-Hadid or Bani Sakhr or Al-Hwctat in the south or Bani Hasan. You know that with certainty. Therefore, there is not enough time to discuss the articles of that meager and humiliating agreement. Rather, I remind..., I remind you quickly with the saying of the Prime Minister that was published yesterday, "Jordan did not give up the span of a hand of its land or his water or the rights of the refugees '48 model or the refugees of '76, the security or the economy in a very clear picture without any doubt. If an ignorant person inspected the articles of the agreement he will see the blatant injustice and the unfairness, he will see the confusion and the ambiguity, and this will be discussed at a different time [coughs] by God's will the Great and Almighty, then the Prime Minister says: "The people are ready, and you are part of the people, you are ready, ready to disobey God and his messenger, ready to take trains to hell, God save us, ready to betray God and his messenger, ready to betray your martyrs, the people are ready for peace because they lived in peace". I am reading the literal words of the Prime Minister, it is not my nature to say peace but surrender or the alleged peace, the people are ready for peace because they lived in peace during

[End of Side B].

[Side A].

AMZ: "...the people are ready for peace because they lived in peace during the previous years, not only recently, and the duty of the government now, now is putting the people in the correct picture to what is happening and candidly, explaining that there is democracy and every citizen has the right to express his opinion within any point of view". Shame on you, prime minister. No might or power but in God the most High, the Great, "To God We belong, and to Him is our return". O rulers of my country, for three years, since the 30th of November [UI], feast, which I named as feast to the Jews, and you, O government, have been washing the minds of the people, where you had the monopoly on the media for yourselves and it ceased to be state media, because the state includes the people, the parliament, the dignitaries, the government, the homeland and the constitution. The government remains the servant, the lowest salaries are for the government, watch the servant oppress the master, the servant oppressing the served, it monopolized all the media systems without exception in an effort to wash the people's minds by misleading, drumming and blowing. Three pivotal years, one year dropped or melted the fat, one year dropped the flesh and a year pulverized the bones for that misleading media.

I said it at the top of my voice here under the parliament dome, "For the three years, we want few days so we can tell the people the truth". Even the people's representatives, O government, blocked their voices, you blocked their voices from the people, what pleased you and what was tailored according to your mood and inclination you let the people hear it, but what angered uncle Clinton was kept from the people. Therefore, O rulers of my country, as usual I am lenient with you, lenient with you because I feel compassion for you, I call on you like I did before, here and under the parliament dome, I call on you for a sincere repentance, and the divine providence will erase these inequities if you crossed them out, if you stop doing them and regret doing them and you promise God not to do such things again and you were given absolution from the blood of the martyrs and were give absolution for every speck of soil, every seed of Fig and Olive that God swore by in the Holy Land.

"Say O my Servants who have transgressed against their souls, Despair not of the Mercy of God, for God forgives all sins: for He is Oft-Forgiving, Most Merciful". And, "Turn ye to our Lord (in repentance) and bow to His (Will), before the Penalty comes on you, before the penalty comes on you", and the discussion of this is going to be lengthy due to the lack of time, but I say it in a hurry, O rulers of my country, learn a lesson from the divine subjugation, and the divine assistance in oppressing the Jews on the hands of a brilliant teacher from the path of faith represents God's judgement staff which cannot be returned, and it represents the whips of His omnipotence and His predestination which cannot be subdued, they are, O rulers of my country, Hamas the beloved of the Merciful, the beloved of Mohamed God's blessings and peace be upon him and his family. Hamas, Hamas is the one who raised up the heads of Muslims, and every Muslim who adheres to Islam in this country and in the Muslim world is Hamas, he is Hamas, he is Hamas, why? Because the hearts were attached to the only God, the conqueror, and is reiterating every morning and evening, "We are the ones who pledged allegiance to Mohamed, we will stay on the path of Jihad forever". O rulers of my country, if you are being pressured by America the oppressor, the symbol of arrogance, but Hamas the beloved of the Merciful is pressuring the Jews by the strength of God. Firstly, the first lesson: the withdrawal of the alleged Israel from Gaza and Jericho a bilateral withdrawal came after two operations, the operation of Al-Afula at the hands of the Hamas and Mohamadan hero, Raed Zakarnah, and Al-Khedira operation at the hands of the Godly Mohamadan hero, Ammar Amarnah, the first if from Qabatia and the second is from Ya'bad. These two operations are surrounding Tel Aviv until the last operation came day before yesterday in the heart of Tel Aviv. I was hoping for my beloved brothers to see the American and the European television how they exhibited the blood and the bodies of the Jews as they scattered, I was hoping that while they see the weeping males and females, God has dedicated the television devises in America and in Europe to say every five minutes, no less than five hundred times, Hamas, Hamas the Islamic Resistance Movement.

Listen brothers, it's a provision from God the Great and Almighty and after the last two operations the imprisonment of the soldier whom Clinton intervened for will be a guest in Jordan on Wednesday, no welcome to you, Clinton. And I don't know how..., how your hand that signed to attack the conference of the World Muslim Scholars at Al-Rashid Hotel in Baghdad with a transcontinental Cruise missile, will be shaken. I don't know how your hand will be shaken, Clinton, which signed the attack with transcontinental missiles to crush the children of Iraq, the women of Iraq and seniors of Iraq. Did Clinton intervene when thousands of Muslims in Bosnia and Herzegovina were crushed? Did Clinton intervene when fifty thousand Muslim monotheist women were raped in Bosnia and Herzegovina? Did Clinton intervene in the massacre of the city of God's beloved friend on the 15th of Ramadan, and the Jews are getting creative in killing the kneeling, prostrating, the servants of God in the vestibule of God's beloved friend, did Clinton intervene? Did Clinton intervene, O rulers of my country? Don't you not think? Do you not remember? Do you not take heed? Do you not consider? The alleged Israel examined the place of disappearance of the detained soldier with information they gleaned from the courageous hero Abi-Ammar, and the result was the martyrdom of the three heroes, but the enemy sustained almost twenty killed and injured and on top of the list is a high ranking officer to which the alleged Israel reserved mentioning the rank. After the Wednesday's operation, the day before yesterday and the operation of the detained soldier, this is pressure on the enemy to pull out from the West Bank like he pulled out from Gaza and Jericho as a result of, as a result of the two operations of Al-Afula and Al-Khedira, Al-Afula occurred, O rulers of my country, on Wednesday April 6th, and Al-Khderah Wednesday April 13th, and the signing of [coughs] the Cairo agreement with Arafat and Begin occurred on the 4th of May, twenty days later, to withdraw from Gaza and Jericho. Therefore be watchful, these operations which also occurred on a Wednesday, day before yesterday, for the result to be for the enemy to withdraw from the West Bank, by God, the Great and Almighty's will, [clearing throat].

The secret of Hamas operations, O rulers of my country, I remind you of the next day of the preliminary signing with Rabin, the divine care rewarded you with the day before yesterday's operation, this is a divine reward, but the God came to them from quarters they did not expect. The atmosphere is bright and the sky is clear, and security reigns, and security is tight by air, by land and by sea. But God came to them from quarters they did not expect and cast terror into their hearts, "They destroyed their dwellings by their own hands and the hands of the Believers, take warning, then, O ye with eyes (to see)". God replaced your smiles with sorrow which needs doctors, doctors of psychology, God exchanged your hand shakes in congratulations for the signing, with a hand shake for condolences, for condolences, it's the work of God who masters everything.

Therefore, O rulers of my country, the door to Hamas operations room has the writing, "And those who strive in Our (cause),- We will certainly guide them to our Paths: For verily God is with those who do right". The enemy's operations

room and their supporters has the writing, "The Unbelievers are protectors, one of another". And those who move to assist them have the door to their operations and its rooms have the writing, "The hypocrites male and female, the hypocrites male and female, from one another advocate the atrocious and discourage kindness and close their hands, they forgot God so he forgot them". The curriculum of Hamas education is like, men said to them, "A great army is gathering against you": And frightened them: But it only increased their Faith: They said: "For us God suffices, and He is the best disposer of affairs. And they returned with Grace and bounty from God. No harm ever touched them: For they followed the good pleasure of God". The people of surrender, it is written on his door "Forgive us for, forgive us the loans. It is written on his door, "Forgive us, forgive us our previous sins in supporting Iraq. Forgive us, forgive us for offering the martyrs who died at the walls of Jerusalem, forgive us".

But the plan to go after Hamas, read it, O rulers of my country, and bring the company of evil and the Sultan's preachers, to translate it for you and a manner that is acceptable to you. It is written on it, that divine quadruple weapon, "Then fight and slay the Pagans wherever ye find them, and seize them, beleaguer them, and lie in wait for them in every stratagem; and lie in wait for them in every stratagem; Fight them, and God will punish them by your hands, cover them with shame, help you to victor over them, heal the breasts of Believers". I appeal to you in the name of God when you saw that bus in pieces and the bodies flying around, the ambulances, the hospital beds and the state of emergency did you not feel in your chests the saying of Lord of honor, "He heal the breasts of Believers", "He heals the breasts of the Believers". Memorize the Holy Quran, O brothers. "And slay them wherever ye catch them, wherever ye catch them, and slay them wherever ye catch them, and turn them out from where they have turned you out". Therefore, O God, Lord of the great throne, O God, Lord of the great throne, you who prepared Khalid Islambuli from the soldiers of al-Sadat, he gave him two bullets which represented your divine providence and your omnipotence. "It is not ye who slew them; it was God. when thou threw it was not thy act, but God's". O God inspire and utilize one of Jordan's soldiers to give the bullet of death to Rabin and Rabin's soldiers, O God, O God make it the time to answer the plea, make it a time for answer the plea and to repentance, inspire the rulers of my country that if Rabin died that at that hour not to order the Imams of the mosque to hold the absentee prayer for the soul of his malicious soul, and not to read the Holy Quran for forty days, and not to put the flags at half staff for forty days, an evil that God swept away from not us but humanity. Rabin is the son of Britain who created the alleged Israel, Rabin is English. Don't you not know that? Rabin is English, English product born in England, as well as Begin and Shamir were born in Poland, the dead Golda Meir, the old crone was born in Russia or the Soviet Union when there was a Soviet Union.

Finally beloved brothers, I call you to fast on Monday seeking God's pleasure, to fast seeking God's pleasure, and in your hearts wishing to fast for the sake of God. O God with you might show us the miracles of your power and strangeness of

your omnipotence in cunning the Jews on Wednesday. Pray for that during your prostration during your prayers, when you wake up, when you walk and implore God for the blessing of fasting on Monday, for God to show us the miracles of his power and the strangeness of his omnipotence in cunning the Jews on Wednesday, that is not impossible to God, "Pray for help from God, and wait in patience and constancy: for the earth is God's, to give as a heritage to such of His servants as He pleases; and the end is (best) for the righteous, and pray to God with submissive hearts perhaps it will be the hour of answering the prayer. Thank God Lord of the worlds, and I bear witness that there is no other God but God, defcater of the oppressors and supporter of the wretched, and I bear witness that our master and leader Mohamed is His servant and messenger, God's prayers and peace be upon you O messenger of God, and upon your proud and noble family and disciples, and those who followed with good deeds till the day of judgement. My bothers and sisters, I advise you, while my soul comes short, to fear God, then pray to God with humble hearts, take refuge in God the King of Kings, we don't need to ask since He has knowledge of our situation, but God to Whom be ascribed all perfection and majesty ordered us to pray and honored us with the answer, in avidity for your kindness, an avidity for your mercy, an avidity for your forgiveness, an avidity in your might, an avidity in your love for our beloved Mohamed, God's prayers and peace be upon him, his family and we lift the hands of supplication, we lift the hands of supplication in the name of the prophet of intercession, God's prayers and peace be upon him and his family to bring down your severe might, to bring down your sever might on the Jews and their tyranny and destroy, O God, the peace with them. O God destroy the peace with them, O God destroy the peace with them because it is as you said our Lord, on account of their arrogance in the land and their plotting of evil, but the plotting of evil will hem in only the authors thereof, O God, O God, O God, your decisive victory for your servants in Palestine, the messengers and the prophets. O God grant victory to your servants and beloved Hamas and those who stand by Hamas, sympathized with Hamas and who supported Hamas. O God, O God be with them and do not be against them, O God make them the legitimate heir to enforce your commandments and exccuting your judgements under the banner there is no other God but God, O God your decisive victory to your servants in the Iraq of Al-Rashid and Al-Ma'mun, in Bosnia and Herzegovina, in the Philippines in Algeria and Tunisia, in Kashmir, in Egypt, in Somalia, in Southern Lebanon, and everywhere your honorable name is mentioned, O God, O God, O God, O God's strike, make every effort to bring forth the revolution quickly and remove our difficulties, O God's strike, O God do not subjugate Muslims in the entire world, show them the truth and grant them to follow it, and show them the wrong and grant them to avoid it, give them success, O God, to govern with what you have revealed, God's prayers and peace upon our master Mohamed the illiterate prophet and upon his family and disciples, hold prayers.

Quran recital.

UM

This is the Book; in it is guidance sure, without doubt, to those who fear God. Who believe in the Unseen, are steadfast in prayer, and spend out of what We have provided for them; And who believe in the Revelation sent to thee, and sent before thy time, and (in their hearts) have the assurance of the Hereafter. They are on (True) guidance, from their Lord, and it is these who will prosper. As to those who reject Faith, it is the same to them whether thou warn them or do not warn them; they will not believe.

God hath set a seal on their hearts and on their hearing, and on their eyes is a veil; great is the penalty they (incur).

Of the people there are some who say: "We believe in God and the Last Day;" but they do not (really) believe.

Fain would they deceive God and those who believe, but they only deceive themselves, and realise (it) not!

In their hearts is a disease; and God has increased their disease: And grievous is the penalty they (incur), because they are false (to themselves).

When it is said to them: "Make not mischief on the earth," they say: "Why, we only Want to make peace!"

Of a surety, they are the ones who make mischief, but they realise (it) not.

When it is said to them: "Believe as the others believe:" They say: "Shall we believe as the fools believe?" Nay, of a surety they are the fools, but they do not know.

When they meet those who believe, they say: "We believe;" but when they are alone with their evil ones, they say: "We are really with you: We (were) only jesting."

God will throw back their mockery on them, and give them rope in their trespasses; so they will wander like blind ones (To and fro).

These are they who have bartered Guidance for error: But their traffic is profitless, and they have lost True direction,

Their similitude is that of a man who kindled a fire; when it lighted all around him, God took away their light and left them in utter darkness. So they could not see. Deaf, dumb, and blind, they will not return (to the path).

Or (another similitude) is that of a rain-laden cloud from the sky: In it are zones of darkness, and thunder and lightning: They press their fingers in their ears to keep out the stunning thunder-clap, the while they are in terror of death. But God is ever round the rejecters of Faith!

The lightning all but snatches away their sight; every time the light (Helps) them, they walk therein, and when the darkness grows on them, they stand still. And if God willed, He could take away their faculty of hearing and seeing; for God hath

power over all things.

O ye people! Adore your Guardian-Lord, who created you and those who came before you, that ye may have the chance to learn righteousness; Who has made the earth your couch, and the heavens your canopy; and sent down rain from the heavens; and brought forth therewith Fruits for your sustenance; then set not up rivals unto God when ye know (the Truth). And if ye are in doubt as to what We have revealed from time to time to Our servant, then produce a Sura like thereunto; and call your witnesses or helpers (If there are any) besides God, if your (doubts) are True. But if ye cannot- and of a surety ye cannot- then fear the Fire whose fuel is men and stones,- which is prepared for those who reject Faith.

But give glad tidings to those who believe and work righteousness, that their portion is Gardens, beneath which rivers flow. Every time they are fed with fruits therefrom, they say: "Why, this is what we were fed with before," for they are given things in similitude; and they have therein companions pure (and holy); and they abide therein (for ever).

God disdains not to use the similitude of things, lowest as well as highest. Those who believe know that it is Truth from their Lord; but those who reject Faith say: "What means God by this similitude?" By it He causes many to stray, and many He leads into the right path; but He causes not to stray, except those who forsake (the path),-

Those who break God's Covenant after it is ratified, and who sunder what God Has ordered to be joined, and do mischief on earth: These cause loss (only) to themselves.

How can ye reject the faith in God.- seeing that ye were without life, and He gave you life; then will He cause you to die, and will again bring you to life; and again to Him will ye return.

It is He Who hath created for you all things that are on earth; Moreover His design comprehended the heavens, for He gave order and perfection to the seven firmaments; and of all things He hath perfect knowledge.

Behold, thy Lord said to the angels: "I will create a viceregent on earth." They said: "Wilt Thou place therein one who will make mischief therein and shed blood?- whilst we do celebrate Thy praises and glorify Thy holy (name)?".

[End of Side A].

[End of recording].
